Attorney for Applicant
, Engineer.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,
and do hereby grant the same, subject to the following limitations and
conditions: This permit is issued subject to all prior rights. It is
understood that the one cubic foot of water per second herein granted
is only a temporary allowance and that the final water right obtained
under this permit will be dependent upon the amount of water actually
placed to a beneficial use. It is further understood that accurate
measurements of the water placed to a beneficial use will be included
in the proof of such use when filed. The State reserves the right to
regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount
which can be applied to beneficial use, and not to exceed One
cubic feet per second.

Actual construction work shall begin on or before May 1, 1936

Proof of commencement of work shall be filed before June 1, 1936

Work must be prosecuted with reasonable diligence and be completed on or
before May 1, 1938

Proof of completion of work shall be filed before June 1, 1938

Application of water to beneficial use shall be made on or before
May 1, 1945. Proof of the application of water to beneficial

use must be filed with State Engineer on or before June 1, 1945

Map Filed July 29 1934

Proof of Labor filed Jul. 10, 1936

Proof of completion of work filed JAN 15 1941

Proof of Beneficial use filed MAR 22 1946

Final Map Filed March 22 1946

Recorded May 3, 1946 B.L. 3 Misc. Page 344-345
